WiFi available – bring your own device

Access to RootsIreland, Ancestry and FindMyPast on APFHC computers

- Virtual Record Treasury of Ireland
 - Michael Gaffaney will lead a discussion about The Virtual Treasury, a project that has been underway for several years to replicate records that were lost in the fire in the Public Records Office in Dublin in during the Civil War in 1922. Michael will cover what the site hopes to achieve, the background to its establishment, what information is presented, how he has used the site and what results he has achieved.
- Recent progress on your Irish Family History Research
 - New finds
 - Advice sought on Irish research problems
- Hands-on guidance/assistance for your Irish Research
 - Experienced researchers are encouraged to help others
